Dress Code

- Men will wear shirts with sleeves. For men and women, some apparel is not permitted (i.e., jogging or gym shorts, biking or sweat pants, short-shorts, swim suits, tank tops or undershirts).

- Spiked golf shoes and heeled shoes may not be worn while golfing. Golf shoes with soft spikes are the preferred footwear. However, flat soled shoes such as sneakers or tennis shoes may be worn.

In general, golf course patrons' attire should convey an appearance consistent with the highest standards of cleanliness, good taste, and propriety. When questions arise, the Golf Course Staff will have the final say so as to what constitutes appropriate attire.
